

Europass Curriculum Vitae

Personal information

First name(s) / Surname(s)	Dr FASSOULAS Charalampos G.
Address(es)	Heraklion, Crete, Greece Telephone(s) 00302810 393277
Fax(es)	00302810324366
E-mail	fassoulas@nhmc.uoc.gr, bfassoulas@gmail.com
Nationality	Greek
Date of birth	13/08/1967
Gender	Male

Work experience

Dates	1996 -
Occupation or position held	Curator of Geology
Main activities and responsibilities	Head of Geodiversity dep.
Name and address of employer	Natural History Museum of Crete, University of Crete, Heraklion 71409, Crete, Greece, www.nhmc.uoc.gr
Type of business or sector	Academic
Dates	2014 -
Occupation or position held	Laboratory Teaching Staff
Main activities and responsibilities	Teaching and Research
Name and address of employer	Faculty of Sciences & Technology., University of Crete, Heraklion 71409, Crete, Greece, www.uoc.gr
Type of business or sector	Academic
Dates	1996 - 2014
Occupation or position held	Inv. Lecturer (PD 407)
Main activities and responsibilities	Teaching and Research
Name and address of employer	Biology dep., University of Crete, Heraklion 71409, Crete, Greece
Type of business or sector	Academic
Dates	2001 - 2023
Occupation or position held	President of Management Committee
Main activities and responsibilities	Geopark Coordinator
Name and address of employer	Psiloritis, UNESCO Global Geopark, Anogia, Crete, Greece, www.psiloritisgeopark.gr
Type of business or sector	Geopark

Education and training																									
Dates	1990-1995																								
Title of qualification awarded	Doctor of Philosophy (PhD) in Structural Geology																								
Principal subjects/occupational skills covered	Expertise in Structural Geology, Geodynamics and Tectonics																								
Name and type of organisation providing education and training	Geology Department of Aristotle University of Thessaloniki, Thessaloniki, Greece																								
Dates	1985 - 1989																								
Title of qualification awarded	Diploma studies in Geology																								
Principal subjects/occupational skills covered	Geology related courses																								
Name and type of organisation providing education and training	Geology Department of Aristotle University of Thessaloniki, Thessaloniki, Greece																								
Personal skills and competences																									
Mother tongue(s)	Greek																								
Other language(s)	English, German																								
Self-assessment																									
<i>European level (*)</i>																									
English	<table border="1"><thead><tr> <th colspan="2">Understanding</th> <th colspan="2">Speaking</th> <th colspan="2">Writing</th> </tr><tr> <th>Listening</th> <th>Reading</th> <th>Spoken interaction</th> <th>Spoken production</th> <th colspan="2"></th> </tr></thead><tbody> <tr> <td>C1</td> <td>Lower Proficiency</td> <td>C1</td> <td>Lower Proficiency</td> <td>C1</td> <td>Lower Proficiency</td> </tr> <tr> <td>A1</td> <td></td> <td>A2</td> <td></td> <td>A1</td> <td></td> </tr> </tbody></table>	Understanding		Speaking		Writing		Listening	Reading	Spoken interaction	Spoken production			C1	Lower Proficiency	C1	Lower Proficiency	C1	Lower Proficiency	A1		A2		A1	
Understanding		Speaking		Writing																					
Listening	Reading	Spoken interaction	Spoken production																						
C1	Lower Proficiency	C1	Lower Proficiency	C1	Lower Proficiency																				
A1		A2		A1																					
German																									
Computer skills and competences	Excellent use of Windows, Word, Excell, Power Point, Corel Draw, WEB Very good knowledge on GIS (ARCGIS), Access																								
Training Capacity	Authorised Trainer for Adult Education by the National Center for Certification of Greece																								
Additional information																									
Teaching experience	<ul style="list-style-type: none"> "Lessons of Physical Geography and Geomorphology" an undergraduate course in Biology dep., Univ. of Crete, Greece. "Environmental geology and management of Geodiversity", a postgraduate course in Biology dep., Univ. of Crete, Greece Participation in teaching of postgraduate course "Natural Hazard related Geosites", Univ. of Aegean, Thessaloniki, Greece Participation in teaching of the postgraduate course "Geoheritage-Palaeontological Geotopes – Museum promotion and Education", Univ. of Athens, Athens, Crete, Greece 																								
Professional affiliations	<ul style="list-style-type: none"> Vice Co-ordinator of the European Geoparks Network Member of UNESCO's Global Geoparks Council (2022 -) Co-ordinator of Hellenic Geoparks Forum. Member of the Geological Society of Greece. Member of the Geomorphologic and Earth Heritage committee of the Geol. Soc. Greece Secretary General of the Geotechnical Chamber of Greece, department of Crete Member of the International Association of Structural/Tectonic Geology. Member of ProGEO, the European society for the protection of Geological Heritage Member of EGN Advisory Group (4-years) Member of UNESCO Geopark's Evaluators Team Member of Geoparks Committee, Hellenic National Commission for UNESCO 																								

Synergistic Activities	<ul style="list-style-type: none"> ▪ Field trip assistant in geological expeditions in Crete by Universities of Tuebingen Germany (1991), University of Yale (1999), University of Munchen Germany (2001), and Macalester College USA (2003), Washington-Lee USA (2010), Friburg Austria (2016) etc. ▪ Co-ordinator with U. Ring in IKYDA 2001 (EU scientific exchanges) program between Mainz, Scholl of Geology and Aristotle Uni. – University of Crete in the topic of "Tectonic uplift of Crete: tectono-sedimentary studies and numerical model" ▪ Co-ordinator with Prof. J. Ague, Yale Univ. in Niarchos Funded project "Deformation and Fluid flow During Metamorphism and Mountain Building, Crete, Greece". ▪ Co-convenor, GSA Penrose Conference, on Extensional Tectonics: Architecture, Rheological Coupling and Heat Budget Naxos Island, Greece, October 2007 ▪ Coordinator, or researcher in more than 35 Research, Educational and Applied projects of Natural History Museum of Crete and Psiloritis UGGp ▪ Co-convenor with N. Zouros and D. Grigorescu, of the Special Session 29 on "Promoting geoconservation in South-Eastern Europe – Geoparks", 10th CarpathoBalkan Geological Association Congress, Thessaloniki, September 2010
Selected Publications	<ol style="list-style-type: none"> 1. FASSOULAS C., KILIAS A. & MOYNTRAKIS D.
